

**Declaration on Aircraft Disinsection by Airlines**

Pursuant to Section 49(1) of the Prevention and Control of Disease Regulation (Cap. 599A), the operator of a cross-boundary aircraft shall submit to a health officer a declaration, in the form described as the "Health Part of the Aircraft General Declaration" (**Appendix I**) in the International Health Regulations, declaring the matters specified in the form.

The *Declaration of Health* requires provision of details of each disinsecting (place, date, time, method) during the flight and, if no disinsecting has been carried out during the flight, details of most recent disinsecting.

In addition, you are encouraged to provide further information on disinsection of your aircraft by completing the Aircraft Disinsection Information Sheet (**Appendix II**).

I declare that all information provided in the Aircraft Disinsection Information Sheet is complete, exact and true to the best of my knowledge. I shall inform you if there is any update in the information provided.
