

# Register as the Online User of the School Dental Care Service

We would like to invite students enrolled with the School Dental Care Service to register as online users of the Student Internet Service.

After signing up, students and their parents will be able to:

- ★ view and print upcoming appointments online;
- ★ cancel or reschedule “Treatment Hall” appointments online; and
- ★ receive email notifications on upcoming appointments.

Please visit [www.school dental.gov.hk](http://www.school dental.gov.hk) and sign up now.
