Dear Doctor,

Recall of Drugs by Marching Pharmaceutical Ltd.

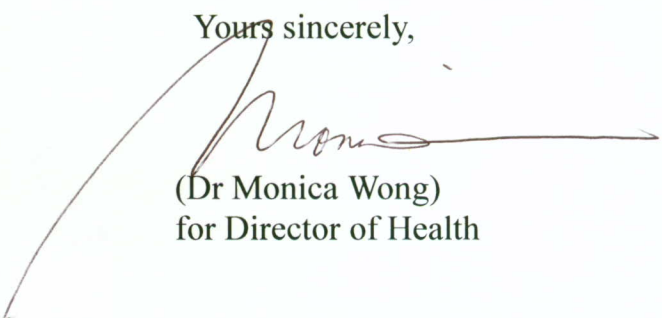

I write to alert you of recall of 216 drugs manufactured by Marching Pharmaceutical Ltd.

Investigation carried out by the Department of Health (DH) showed the labelled expiry dates of 216 pharmaceutical products (**Annex I**) manufactured by the aforementioned company not substantiated by laboratory data. According to available evidence in hand, the problem is that of quality, not safety. DH has instructed the company to recall all 216 products.

If you are in possession of any of the 216 products, please stop prescribing them and contact the collection spot(s) (**Annex II**) for recall arrangement. Marching Pharmaceutical Ltd. has also set up a hotline at 2781 6320 for public enquiries.

For further enquiries, you may also call our hotline at 2125 1122 which operates from 9 a.m. to 10 p.m. on weekdays.

Yours sincerely,

(Dr Monica Wong)
for Director of Health
